## Product description

**PetterGO! PETbalm** is a 100% natural product for use on dog's and cat's skin. It is designed to moisturize, soften and condition pet's skin on paws, nails, nose, elbows, face wrinkles, body wrinkles and more. **PETbalm** formula is made from natural sourced vegetable oils like coconut oil and natural bee wax.

## Ingredients

Coconut oil, shea butter, beeswax, almond oil, carnauba (palm) wax, colloidal oatmeal, lanolin, rosemary essential oil and natural antioxidant (tocopherols and rosemary extract).

## Composition

This product is made from natural vegetable oils, natural waxes, and natural plant extracts.

## Indications for use

- For facial and body wrinkles: apply 2 – 3 times per week in between the skin layers.
- For dry paws and nose: apply 1 – 4 times per week directly on the skin.
- For calloused elbows: apply 3 – 5 times per week directly on the elbow or calloused skin surface.

## Storage and shelf life

Keep this product in its original package in a cool (room temperature) and dry place (normal storage conditions), away from light or heat sources.  
Shelf life expectancy is 12 months from fabrication date.
