## Product description

**petterGO! PETconditioner AP** is a 100% naturally sourced hypoallergenic all-purpose coat conditioner for dogs and cats of all breeds.

## Ingredients

Water, coconut oil, vegetable glycerine, coconut sourced danox hc-30, almond oil, rosemary leaf extract, benjui tree bark resin extract, lemon balm and rosemary leaf essential oil, and a mix of benzyl alcohol, potassium sorbate and organic acids as natural preservatives \*.

\* Ingredients approved for natural cosmetics use by ECOCERT & BDIH

## Composition

This product is water and vegetable oils based with natural sourced emulsifying agent, skin conditioning agents and pet safe essential oils.

## Indications for use

During bathing, after shampoo, when your pet is completely rinsed from shampoo but still wet. Apply small quantities of **PETconditioner AP**, and massage your pet's coat to distribute the product throughout all your pet's body. After this, rinse completely and dry your pet.

## Storage and shelf life

Keep this product in its original package in a cool (room temperature) and dry place (normal storage conditions), away from light or heat sources.

Shelf life expectancy is 18 months from fabrication date.
